# Le Clos des Hirondelles

Gite

*Open year round*

## ● Location

Situated on a hill with a magnificent view of the Combrailles area in the Auvergne region, the newly renovated Le Clos des Hirondelles gite is the ideal holiday rental for those seeking a quiet vacation retreat from fast-paced urban life.

Set between the Auvergne and the Limousin regions, the Combrailles are best known for their hilly and wooded countryside. Here, nature enthusiasts will discover the secrets of the numerous forests, lakes, rivers and all that the volcanic Auvergne region has to offer.

## ● Le Clos des Hirondelles

Nadine Ivanec is delighted to welcome you to her 3-star 105 m<sup>2</sup> Gite de France which easily accommodates 6 people with its 3 large bedrooms (1 queen size bed, 1 double bed and 1 double bed + 1 single bed); living room with cathedral ceiling; mezzanine area with pull-out couch bed; a fully equipped kitchen and lovely garden view from the two private terraces. The gite, finished in April 2009, is attached to our secondary residence.

## ● Amenities

Satellite TV, internet connection, baby cot, washing machine, dishwasher, toaster oven, microwave.

## ● Leisure Activities on site

Located in a peaceful hamlet of 10 homes, Le Clos des Hirondelles is a perfect point of departure for nature and adventure seekers to explore the surrounding woods, lakes and historical sites. The numerous activities you can enjoy include:

- hiking
- horseback riding in Ayat-sur-Sioule
- canoeing in the scenic gorge of the Sioule River
- mountain biking
- flyfishing on the Sioule River
- swimming in the nearby lakes of Saint-Gervais, Saint-Eloy-les-Mines, Servant, méandres de Queuille and Sioule River
- relaxing in the thermal baths of Châteauneuf-les-Bains
- exploring the medieval castles of Chouvigny and Château-Rocher
- visiting the paleontological museum in Menat

## ● Day excursions

- visiting Clermont-Ferrand and the newly opened Michelin museum (59 km)

- learning about seismic and volcanic activity in Vulcania adventure park (51 km)
- visiting one or more of the 80 volcanoes of the Chaîne des Puys (40 km)
- hiking and swimming in the Gour de Tazenat, a volcanic crater lake (25 km)
- discovering the history of the Volvic water spring in Volvic
- exploring the plateau de Gergovie where Julius Caesar's army was defeated in 52 BCE by the Arverni tribes led by Vercingétorix
- visiting the Musée de la Coutellerie in the town of Thiers known for its centuries old production of cutlery
- Le Pal attraction park and zoo (91 km)
